

Facial Ubtan Roop Nikhar & Gulab

The Facial Ubtan Roop Nikhar Gulab is ideal for dry skin. It gently removes dead cells from the skin to brighten complexion and improve its natural texture.

What is it ?

Ubtans are 100% natural cleansers that have been used for centuries in India, to achieve clear and radiant skin. The Facial Ubtan Roop Nikhar Gulab is a powerful exfoliating treatment that revitalises and refines the skin, to brighten complexion and enhance natural glow.

A blend of fresh, hand-pounded, and sun-dried ingredients, this natural cleanser includes freshly plucked petals of the Indian Rose that is revered for its deeply hydrating and age-defying properties, along with Cashews, Pistachios and Saffron.
